

Tithe...is 10% of your income.

Before any portion of the increase is used for personal needs, God's share of the partnership, a tithe - 10% of the income, should be set apart to help support the ministry of the Word in the Arkansas-Louisiana Conference of Seventh-day Adventists and in all the world.

Love Offerings...

"As God has prospered." I Corinthians 16:2
After the tithe is determined, offerings of love and gratitude are set apart for the local Church Budget, ARKLA Advance, and other world needs.
